Congratulations to Miss Rochelle and the Alliance Dance Academy Staff! Thanks for providing another option for both parents and kids! You have simply introduced the local community to healthy competition in both Business and Dance! One might say, step it up or step on out! As always, God's Blessings upon all! Loving Dance Dad

Miss Rochelle is such an inspiration to all our her students. Her experience shares a wealth of knowledge to give even the most novice dancers a true love for the art of dance and a wealth of knowledge to exceed all expectations. Dancers are truly blessed to be a part of such a positive learning atmosphere and professional dance instruction second to none.

I'm so excited for my girls to dance here with Miss Rochelle! They have danced with her for years and we think she is an excellent teacher and role model for the girls! Looking forward to an exciting and fun dance year!

Miss Rochelle is an amazing dance teacher and mentor for kids of all ages. She truly cares about each child and teaches them more than just dance... she teaches them responsibility and healthy habits and how to be caring and kind. She has been a great role model for my daughter and we just love her!

Alliance Dance Academy is a great addition to Bluffton community. As a prior dance parent parent I can attest to the leadership, character and excellent instruction provided by Rochelle and her staff. She has a well thought out, sound curriculum for all ages in a safe, state of art dance studio. Rochelle has a true love of dance and for educating children.
